

Ecological Surveying Techniques (Virtual Lab)

17 November 2020, Tuesday

Join [Dr Gurion Ang](#) (pictured below with his students) from the [School of Biological Sciences](#) and other laboratory technicians and teachers across the state in ZOOM-land for an evening of live learning. We will run through key ecological surveying techniques in relation to Unit 3 of the senior biology syllabus.

Program

4pm PD link opens

4.15pm PD commences

5.30pm Announcements and upcoming events

5.45pm Open consultation for anything and everything related to ecological surveying techniques

Registration

Please use this [registration link](#). There is no cost for this PD session.

Registrants will be provided with joining instructions, including the ZOOM link. EQ staff should note that in some schools ZOOM is blocked on the EQ server. It is recommended that you attend this PD from home or in a host non-EQ school.

BYO food and drink.

After the PD, all registrants will receive resources and a PD certificate (for 3 hours).

For all queries please contact Dr Gurion Ang (gurion.ang@uq.edu.au or 07 3346 4129).
